Have you ever thought . . .

- ◆ How do we make our church's vision become a reality?
- ◆ We have outgrown our building, now what?
- ◆ How can we afford to make the significant changes to our building allowing us to serve God and our community?
- ◆ Do we have enough land to build?
- ◆ Do our people understand stewardship?
- ◆ Do we have enough giving to support a new building?
- ◆ Is now the right time to proceed?
- ◆ We have the people who are willing, but just need some guidance?
